ABOUT LJ'S

In 2001, owners Bernie and Linda Watson created the original LJ's (Douglas Avenue, Providence) to replicate the look of the authentic roadside barbecues that Bernie's family from Arkansas and Virginia had come to love. Named after Bernie's wife, Linda Jane and his late grandmother Miss Leola Jean, whose recipes fill the menu.

LJ's opened to a host of critical reviews and national recognition, including "Best of Rhode Island". Now, in 2006, LJ's continues to offer outstanding family values and genuine down home cooked meals at their new location in Pawtucket, RI. LJ's has achieved their proven track record as an Award Winning Barbecue Restaurant by specializing in the preparation, delivery, and service of hickory smoked ribs, chicken, beef, and pork, prepared by cooking low and slow in their customized barbecue pit.
